Dear Commissioner:

David J. Deacy, an individual, citizen of the United States, having a principal place of Residence at **2831 River Pines Way, Sarasota, FL 34231**. (hereinafter "Petitioner"), believes that he and will continue to be damaged by the registration of the mark shown in the registration identified herein above. Accordingly, Petitioner hereby requests and petitions for cancellation of

same, pursuant to 37 C.F.R. § 2.11 (a).

The grounds for the present Petition for Cancellation are as follows:

1. Petitioner is the owner of the mark PET PAGES & DESIGN for use in connection with publication and distribution of yellow page pet resources directories, in International Classes 16, 35 and 41 respectively. Petitioner has established use of his trademark PET PAGES & DESIGN in commerce, in connection with publication and distribution of yellow page pet resources directories, since September 16, 1999.
2. Petitioner is also the owner of the mark PET PAGES for use in connection with the publication and distribution of yellow page pet resources directories, in International Classes 16, 35 and 41 respectively. Petitioner has established use of his trademark PET PAGES in commerce, publication and distribution of yellow page pet resources directories, since September 16, 1999.
3. Since September 16, 1999, Petitioner has continuously used and continues to use through the present time, the PET PAGES marks in connection with his goods and services, namely publication and distribution of yellow pages pet resources directories.
4. Since September 16, 1999, Petitioner has continued to promote his goods and services used in connection with his PET PAGES marks.
5. As a result, Petitioner has spent substantial time, money and effort promoting and advertising his goods and services under the PET PAGES marks and has acquired and now enjoys a valuable reputation and good will, under his PET PAGES

marks.

6. By virtue of the good will associated with and established by the PET PAGES marks, publications and distribution of yellow pages pet resources directories bearing the PET PAGES marks are immediately identified by the buying public with Petitioner.
7. Petitioner is the Applicant in U.S. Trademark Application Serial No. 76/684,489 filed on November 30, 2007, for its mark PET PAGES & DESIGN. Said Application is still pending before the Trademark Office and is currently under Examination.
8. On March 14, 2008, the Examiner assigned to examine Petitioner's Application Serial No. 76/684,489, refused registration of Petitioner's mark on the principal Register because the Examiner believes that there is a likelihood of confusion between Petitioner's Mark and U.S. Registration No. 2,963,259, the subject of the Present Petition.
9. Petitioner is the Applicant in U.S. Trademark Application Serial No. 76/684,490 filed on November 30, 2007, for his mark PET PAGES. Said Application is still pending before the Trademark Office and is currently under Examination.
10. On March 14, 2008, the Examiner assigned to examine Petitioner's Application Serial No. 76/684,490, refused registration of Petitioner's mark on the Principal Register because the Examiner believes that there is a likelihood of confusion between Petitioner's Mark and U.S. Registration No. 2,963,259, the subject of the Present Petition.

11. However, upon information and belief, Registrant of U.S. Registration 2,963,259, has started using the mark in interstate commerce no earlier than November 3, 2003.
12. By comparison, and as stated herein above, Petitioner began using the mark on or about September 16, 1999. Accordingly, Petitioner has prior rights to the marks PET PAGES and PET PAGES & DESIGN; prior rights that precede Registrant's rights to its mark PET PAGES as embodied by U.S. Registration 2,963,259.
13. The use and continued registration of Registrant's Mark is likely to cause confusion between Petitioner's and Registrant's mark, under Section 2(d) of the Lanham Act. Accordingly, the continuation of Registration 2, 963,259 on the Principal register has caused and will cause significant damage to Petitioner.
14. A duplicate copy of this Petition is enclosed, together with USPTO Credit Card Payment Form for the required fee of \$300.00 for the cancellation of U.S. Registration No.: 2,963,259.

WHEREFORE, Petitioner prays that Registration No. 2,963,259 be cancelled, and that this Petition for Cancellation be sustained in favor of Petitioner.

Respectfully Submitted,
